Projekttitle	Themenfeld
Determining and Visualizing Impacts of Greenhouse Climate Rainfall in Alpine Watersheds on Torrential Disasters	Assessment and Management of Climate Impacts
Predicting overwintering survival and establishment of exotic pest insects under future Austrian climatic conditions	Assessment and Management of Climate Impacts
Climate sensitivity of regional energy systems – a spatial optimisation approach	Assessment and Management of Climate Impacts
Effects of Future Snow Conditions on Tourism and Economy in Tyrol and Styria	Assessment and Management of Climate Impacts
Climate Impact on Low Flows And Droughts	Assessment and Management of Climate Impacts
Modelling epidemiological and economic consequences of Grapevine Flavescence dorée phytoplasma to Austrian viticulture under a climate change scenario	Assessment and Management of Climate Impacts
Impacts of Climate Change and Adaptation in the Electricity Sector - The Case of Austria in a Continental European Context	Assessment and Management of Climate Impacts
Climate change induced invasion and socio-economic impacts of allergy-inducing plants in Austria	Assessment and Management of Climate Impacts
Future Of Climatic Urban heat Stress Impacts	Assessment and Management of Climate Impacts
Health at Risk through UV induced Skin Cancer in the Context of a Changing Climate	Assessment and Management of Climate Impacts
Adapting forest tree species to future climates – understanding the role of epigenetic variation on climate response of seedlings	Assessment and Management of Climate Impacts
Consequences of climate change on ecosystem functions, water balance, productivity and biodiversity of agricultural soils in the Pannonian area.	Assessment and Management of Climate Impacts
Responding to the challenges for international and European climate policy after Copenhagen	European and global Climate Policy
Climate Policy Integration in Federal States: Adaptation, Mitigation and Sustainable Development in Austria, Germany and Switzerland	National Climate Policy: Options, Instruments and

Factory for Adaptation Measures Operated by Users at different Scales	National Climate Policy: Options, Instruments and
Integrated Landscape Prognosis under the Influence of Climate change	National Climate Policy: Options, Instruments and

Antragstell	Max. Förderung
BOKU Wien (Dr. Roland Kaitna)	EUR 299.889
AGES	EUR 288.963
Research Studios Austria Forschungsgesellsc	EUR 211.277
Ulrich Strasser	EUR 299.949
PD Dr. Gregor Laaha	EUR 316.000
AGES Austrian Agency for Health and Food Safety	EUR 136.545
